Announcing the next step in

Brenda Star's

Fit &

Fabulous

Program!

Now you can not only feel better and lose unwanted weight, but you can claim the "***Fit & Fabulous***" look as your very own ... and at affordable prices!

With 25 years' plus experience in helping women achieve miracles in their lives with my exclusive "***Fit & Fabulous***" program, and am adding top-quality beauty and skin care products to help you take that next step - from restoring your health and improving your lifestyle to creating that more beautiful

you you've always dreamed about.

I am so excited about being introduced to the Mary Kay family of independent beauty consultants ... a family that has faithfully served women around the world for decades.

Women, empower yourselves through my "***Lifestyles of the Fit and Fabulous***" program and "love the skin you're in"! A fabulous makeover can add confidence to help you succeed even in challenging economic times.
